

People Charged for Various Offences by Ethnicity in Calendar 2011

Protective Marking	Not Protectively Marked
Suitable for Publication Scheme	Yes
Summary	People charged broken down by ethnicity for calendar year 2011
Creating Branch / Directorate	Directorate of Information Reporting Services
Date Created	16/05/2012

This report uses LIVE DATA extracted from MetMIS, CRIS MIS & NSPIS

Date Live data was extracted: 16/05/2012

The data in this report reflects live data which may be subject to small changes over time

Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the crime data. It should be noted that for these reasons this force's response to your questions should not be used for comparison purposes with any other response you may receive.

People charged under Operation Withern broken down by ethnicity

Please note that Operation Withern was set up to deal with the August 2011 disorder.

Ethnic Appearance Code	Number of People Charged
Unknown	16
North European - White	792
South European - White	106
Black	1455
Asian	204
Chinese, Japanese or SE Asian	11
Middle Eastern	62
(blank)	17
Grand Total	2663

Notes:

This data has been extracted from the list of arrests that have been designated as relation to Op Withern that resulted in a charge.

The offence for which the person is charged may not directly relate to the disorder

The IC code is the Detainee Ethnic Appearance code as recorded on the NSPIS Custody system

Where there is a unknown or a blank, this relates to arrests recorded outside of the MPS area and are therefore not recorded on the MPS NSPIS Custody System.

Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the crime data. It should be noted that for these reasons this force's response to your questions should not be used for comparison purposes with any other response you may receive.

People Charged for Various Offences by Ethnicity. 2011

Ethnic Appearance	Rape	Attempted Rape	Other Sexual	Gun Crime	Knife Crime	Personal Robbery
Asian - Asian	53	3	257	46	347	696

White - South European	37	2	105	38	168	250
Grand Total	604	56	1380	791	3430	6378

Data extracted from MetMIS 16/05/2012

Ethnic Appearance	Snatch	Attempted Personal Robbery
1 White European	104	20
2 Dark European	20	2
3 Afro-Caribbean	220	20
4 Asian	47	13
5 Oriental	1	0
6 Arabian/Egyptian	9	3
Grand Total	401	58

Data extracted from CRIS MIS 15/05/2012

Notes

Rape, Attempted Rape, Other Sexual, Gun Crime, Knife Crime and Personal Robbery have been extracted from the MetMIS system. Theft Snatch and Attempted Personal Robbery have been extracted from the CRIS system

The Ethnicity mappings into MetMIS differ from what is located in CRIS therefore the ethnicities of the two data sets are not comparable.

Data extracted from CRIS MIS (Snatch data) with a confirmation date of 15/05/2012

HO codes used to extract data for attempted personal robbery 034.21

HO codes used to extract data for attempted rape 019.19, 019.18, 019.14, 019.13, 019.12, 019.11 and 019.06

Only people charged have been included, this is where the proceedings type is either AA, AB, AF, AP, AS or AT

As the MPS do not record 'mugging perse, data for personal robbery, snatch theft and attempted personal robbery has been supplied as the nearest match.

Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the crime data. It should be noted that for these reasons this force's response to your questions should not be used for comparison purposes with any other response you may receive.
